An important part of preparing for an interview is brainstorming thoughtful and important questions about the role! Asking great questions can help ensure that you will be fulfilled by the work and that the company culture is a good fit.

Consider asking one or more of the following questions at your next interview!

Questions to Ask at a Job Interview

1. How would you describe the company culture?
2. How closely does this role work with colleagues? Can you tell me about the team?
3. May I have a tour of the company/workspace?
4. I would enjoy learning more about you. Can you tell me about your professional journey?
5. Please tell me about the onboarding process for this role.
6. How does the company encourage professional growth and development? What opportunities are available for this role?
7. What led to this vacancy?
8. What does success look like in this position? How will it be measured?
9. What is/will be the biggest challenge in this role?
10. When do you expect to make a decision? What is the anticipated start date?
